SUBJECT: 2025 Lake Winnebago Regulation Meeting Postponed

To Our Lake Winnebago Partners:

The U.S. Army Corps of Engineers (USACE) Chicago District is postponing the stakeholder and interagency coordination meeting previously scheduled for Tuesday, October 7, 2025 at 6:00 PM under operational guidance in accordance with a federal government shutdown. As such, the public meeting will be POSTPONED to a later date.

The USACE Chicago District remains fully committed to supporting the stakeholders of Lake Winnebago and the Fox-Wolf Watershed, no matter the challenges presented by a lapse in appropriations. During this period, the USACE Chicago District will continue its critical mission to protect life, property, and national security by delivering critical programs, projects, and services that support the safety and property of communities including those of Northeastern Wisconsin.

Pertinent information regarding Lake Winnebago is posted on our website at:
